

## Why use Countryside Association's Work Centers?

Using Countryside will help you **SAVE**

**Money:** It is less expensive to contract with Countryside than to pay your employees overtime.

**Time:** Countryside can schedule jobs to start in as little as three days.

**Space:** Countryside has two locations equipped with production areas and warehouse space along with full service loading docks.

**Headaches:** Material can be shipped to Countryside without the hassles of hiring temporaries or scheduling employees to work evenings or weekends.

**Risk :** Countryside can package or assemble first runs of a product manually, letting the customer evaluate whether the product should be automated.

**Rework :** Countryside can rework salvageable parts that would otherwise be tossed. We pride ourselves on the Center's Quality Assurance program and will do the job correctly the first time.

## Two Convenient Locations Palatine & Waukegan

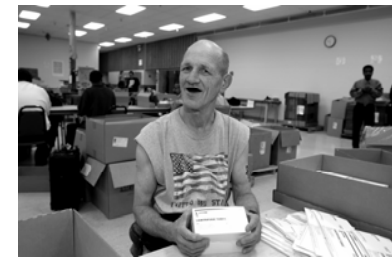

## Confidential Document Destruction

### Lakeside Shredding Service is safe.

Deposit your confidential material in our locked security containers. Once a week, once a month, or as often as you need, the containers will be picked up and our high-volume destruction unit will shred your information into unreadable strips.

### Lakeside Shredding Service is convenient.

Locked containers are placed throughout

your facility. No need to remove paper clips, staples, separate grades or colors of paper. Three ring binders, cassettes,

microfiche are no problem. Our machine handles plastic and metal as if it were paper.

**Lakeside Shredding Service is cost effective.** We can handle small or large jobs. What takes an office shredder hours, we can destroy in minutes. This allows your employees to do what they do best— their jobs.

**Lakeside Shredding Service is bonded and insured.**
